MEMORANDUM FOR: Deputy Director (Administration)

THRU: Deputy Director (Intelligence)

SUBJECT: Reclassification of Position of Deputy Assistant  
Director for Operations

25X1A

1. The position of Deputy Assistant Director for Operations (Agency Position No. [REDACTED]) was classified as GS-16 on 26 October 1950. Since that date, the position of Assistant Director for Operations has been reclassified as GS-18 and the positions of two of the division chiefs of this Office have been raised to the GS-16 grade. Justifications for these increases, based upon the expansion of operations and the additional responsibilities undertaken by this Office, were provided at the time when these reclassifications were approved.

2. It is believed that the functional position and responsibilities of the Deputy Assistant Director for Operations as intermediate between the division chiefs and the Assistant Director for Operations should be reflected in a corresponding grade classification. The position should rank midway between that of the Assistant Director for Operations and those of the division chiefs in order to provide a logical progression of grades in the command organization of the Office.

3. It is therefore requested that the position of Deputy Assistant Director be reclassified as GS-17.
